CERTIFICATE OF DISABLED-FRIENDLY INFRASTRUCTURE

This is to certify that the infrastructure of **Goalpara College, Agia Road, Goalpara, Assam - 783101** has been designed and developed with a strong commitment to accessibility and inclusivity for individuals with disabilities. The college premises was thoroughly evaluated and modified wherever necessary to ensure compliance with disability-friendly standards in terms of the following criteria: -

1. Accessible Entrances:

- ✓ The main entrances and exits are equipped with ramps and handrails, allowing easy access for wheelchair users and individuals with mobility challenges.
- ✓ Signage indicating accessible routes is prominently displayed.

2. Wider Doorways and Corridors:

- ✓ Doorways and corridors within the college buildings are designed to accommodate wheelchairs and other assistive devices.
- ✓ The minimum width of doorways is **4.5 ft** to facilitate smooth movement.

3. Accessible Restrooms:

- ✓ Restrooms are equipped with accessible stalls, grab bars, and proper signage.
- ✓ These facilities cater to the needs of individuals with disabilities.

4. Parking Spaces:

- ✓ Designated accessible parking spaces are available near the college entrance.
- ✓ These spaces are clearly marked and reserved for vehicles displaying disability permits.

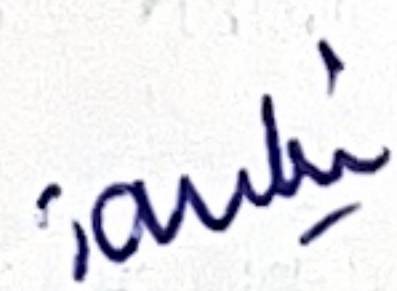

5. Visual and Auditory Aids:

- ✓ Classrooms and lecture halls are equipped with audio-visual aids, including hearing loops and projectors.
- ✓ Visual aids are designed to assist students with hearing or visual impairments.

6. Assistance Points:

- ✓ Information desks and reception areas are staffed by trained personnel who can provide assistance to individuals with disabilities.
- ✓ Emergency evacuation plans are communicated clearly.

The college administration is committed to maintaining and improving the disabled-friendly features of the infrastructure. Regular assessments and updates will be conducted to ensure ongoing compliance with accessibility standards.
